Please accept these comments as restated below from  
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 297A to Llano, Texas as that community's third competing FM service. Llano is an incorporated community with a population of 3,325 people.<sup>1</sup> Llano has its own mayor, post office, its own fire department, city hall, public school system and a number of local churches. The proposed channel 297A will provide additional diversity and an outlet for local self-expression to Llano residents and therefore is in the public interest.

<sup>1</sup> Source, Texas Almanac 2002/ 2003

Should this petition be granted and Channel 297A is allotted to Llano, Texas, Petitioner will apply for Channel 297A at Llano and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
